

**Welcome to Random Reviews!**

**What is Random Reviews?**

Hello everybody! The developers of this website, Ethan Sanchez, Kristiyan Braykov, and Jose Mondragon are excited to share our latest project, Random Reviews. We created this website because we wanted to share all of our thoughts on the countless movies, shows, games, restaurants that we all come across in our daily lives. We didn't want to restrict ourselves to just one subject, so this was our solution!

- Home Page**
  - The home page!
- Reviews**
  - Our own official reviews!
- News**
  - Read the latest updates!
- Blog**
  - Post your own reviews!
- About Us**
  - Learn about us!

Feel free to explore our website, read our own official reviews, learn more about the developers, and post your own reviews under our blog page!
